### **Next rehearsal**

Our next rehearsal is on Tuesday 25 February 2020 in KES Upper School, when we will be rehearsing more of the Mahler. **Please find enclosed Mahler 8 notes from Darius – it is very important that everyone reads these carefully and marks their score as directed.**

For those with hired scores, Darius recommends splitting them to make them lighter. Split the scores in such a way as to separate parts 1 and 2. You could also remove some pages where we don't sing if you want to make it even lighter. You can remove pages 105-109 and 116-122 (tenors and basses 115-132); sopranos could remove everything between 105 and 122 if they prefer. **If you do this please keep all the sections safe so you can return everything following the concert, as the scores have to be returned to the Wrexham Symphony Orchestra.** For this concert it will be fine to put the separated scores into a black ring binder instead of your black folder.

These notes from Darius, together with recordings and rehearsal tracks for the Mahler 8, are on the Chorus website at: [Members Area / Rehearsals / Preparing the Music](#). To provide an example of the resources stored there, here's a direct link to [the separate voice parts on Choralia for Mahler 8](#).

### **Rehearsal tracks and notes**

Links to rehearsal tracks and You Tube recordings for the Mahler 8, Verdi *Requiem* and Handel's *Messiah*, together with Chairman Paul's rehearsal notes, are on the Chorus website at: [Members Area / Rehearsals / Preparing the Music](#).

### **Ticket sales – Messiah tickets for sale on Tuesday**

Ticket sales so far for *Messiah* = 41.

Tickets will be on sale on Tuesday at rehearsal, without the 10% booking fee being charged online. Correct change if possible please, or cheques made payable to Sheffield Philharmonic Chorus. Tickets will also be available at the Sheffield cathedral shop, again without the booking fee. All tickets are unallocated, so it will be first come first served on the night.

Our target for Messiah is to sell ALL the available tickets, ie 350. Tickets cost £20 and £5 (under 25s) and are available online at <https://www.wegottickets.com/event/496865>. There's a link on the Chorus website and on the Classical Sheffield website.

Ticket sales so far for the Verdi *Requiem* = 636.

Choral concerts usually get around 400 people turning up on the night, so the pre-concert sales need to reach about 1,000 to safely reach the target of 1300, and more to avoid the concert making a loss for the three partners (Sheffield International Venues, the Halle Concert Society and SPC).

The overall message, for both SICS and self-funded concerts, is that all efforts made by members to help sell tickets are efforts well spent!
