RESEARCH UK**

Music played a huge part in Pat's life, not only supporting me in my career, but as a talented amateur singer herself. She was a member of the Sheffield Philharmonic Chorus for over 40 years. Even in the late stages of her illness, an appreciation and obvious love of music was still evident as she would sit and listen as I played the piano. I dedicate this Schubertathon to her memory and hope to raise vital funds for Alzheimer's Research UK.

**FOR A
CURE**

At Alzheimer's Research UK, we stand for everyone affected by dementia, we stand for a cure. Alzheimer's Research UK is leading the search for a cure, and with your support, won't stop until everyone is free from the heartbreak of dementia.
