✦ Join Sheffield Philharmonic Chorus in an uplifting day of joyful, celebratory choral works ✦

Experience the buzz of shared music-making through memorable melodies, energetic rhythms, and thrilling full-chorus moments with these well loved choral classics.

We'll spend the day rehearsing Vivaldi's *Gloria* and Haydn's *Te Deum*, with a performance for friends and family at 6pm.

The workshop is led by our fantastic Musical Director Darius Battiwalla, who has conducted choral performances with leading orchestras, and has prepared the Chorus for recordings and appearances at the Proms. Darius is a very friendly conductor, encouragingly supportive and challenging in equal measure.

We'll be accompanied by Neil Taylor on the organ.
