Brigantes concert Saturday 16th May – Last Night of the Proms

Please check the attached singing list for the second half of the Proms concert and let MarianneGrayson@sheffieldphil.org know if you think it is incorrect.

Librarian Posts

We are looking for new librarians as Alan and Rosemary will be standing down at the next AGM. Please contact joannebriddock@sheffieldphil.org if you are interested. And feel free to have a chat with Alan or Rosemary to find out more. We want to find new people for the role as soon as possible so that there is time for job shadowing and learning.

You would need to be able to drive, have access to a vehicle and be able to transport scores. You would need to be computer literate and have access to a computer to deal with the ordering and returning of music and other music related tasks. Some space at home to receive music orders before distribution to the choir would be desirable but not essential.

Our music library is currently housed in the attic of Broomhill library. We are currently looking for a more accessible home for our library. If you know of anyone or anywhere that has a suitable space to house our library please let Jo, Alan or Rosemary know.

Former SPC member Christopher Wren

It is with much sadness that we pass on the news that former member Christopher Wren has died. Chris was a second tenor joining the chorus in 1968 and was a member for fifty years.

He was very well known in musical circles and many of our members sang with his choir, The Christopher Wren Singers and have fond memories of their time with him..

We have sent our condolences to his family and we will let you know about funeral arrangements when we have them.

Please see our website for all other details. <http://www.sheffieldphil.org/>
